

Casey Integrated Care Community of Practice

17th October 2018 Event Summary

The inaugural Integrated Care Community of Practice for the Casey region (within the Monash Health catchment) was held on the 17th October 2018 at Bunjil Place in Naree Warren. The event ran from 6pm to 8pm and was introduced by Professor Don Campbell, Service Director Monash Community.

The evening featured a patient story discussion with Monash Health and subsequent round table discussion. An interactive poll question on integrated care and communication was then posed and a poll was also used to evaluate the evening. Attendees were invited to stay and network.

Number of registrations for the event	59
Number of attendees on the evening	45
Attendee sector or service representation	General Practice, Monash Health, City of Casey, Palliative Care, Aged Care, Social Services, Home Nursing, Mental Health Services, Community Health, Southern Migrant and Refugee Centre, Community Pharmacy, Allied Health services.
