

Casey Cardinia Integrated Care Community of Practice *Event*

The Community of Practice brings together general practice, community health services, hospitals, council services, allied health services, community pharmacies, social services, social groups and others with a view to improving service awareness and connectivity in Casey and Cardinia region.

This will include a panel discussion on oral health and integrated dental services with service providers from the region. There will also be an opportunity to network and share ideas for person centred care.

Clinicians and leaders from health and social services in the Casey region are invited to attend. Canapes and Refreshments are included.
