

Glen Eira Bayside Integrated Care Community of Practice

18th June 2019 Event Summary

The third Integrated Care Community of Practice for the Glen Eira Bayside region was held on the 18th June 2019 at Caulfield RSL. The event ran from 6pm to 8pm and was introduced by Dr Gary Yip General Physician Alfred Health.

The event featured a panel discussing Police And CATT Early Response (PACER) and the Ambulance Victoria care planning referral service. Audience questions followed the panel discussion. Dr Gary Yip then facilitated further discussion with reflective questions.

A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were then invited to stay and network.

Additional feedback sent

“Great event. To be able to better community service and prevent hospital admission is achievable .It has happened before and will happen again. Resources are there, just need to correctly utilise.”

“Very informative panel”

“Very informative session tonight. Great questions and humour.”

“Great evening”
