

Glen Eira Bayside Integrated Care Community of Practice

6th March 2019 Event Summary

The second Integrated Care Community of Practice for the Glen Eira Bayside region (within the Alfred Health catchment) was held on the 6th March 2019 at Caulfield RSL. The event ran from 6pm to 8pm and was introduced by Dr Gary Yip General Physician Alfred Health.

The event featured a panel discussion on the referral process for My Aged Care. The panel was made up of Caulfield ACAS; Bayside RAS and Glen Eira RAS. Set questions were asked of each panel member and then question time was open to the audience. Dr Gary Yip presented two further questions for audience consideration and wider audience commentary was invited.

A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were then invited to stay and network.
