

Greater Dandenong and Surrounds Integrated Care Community of Practice *Event*

This event brings together general practice, community health services, hospitals, council services, allied health services, community pharmacies, social services, social groups and others with a view to improving awareness and connectivity.

The next meeting will include another panel discussion on oral health and integrated dental services with providers from the region. There will be facilitated discussion along with an opportunity to network and share ideas for person centred care.

Clinicians and leaders from health and social services in the Greater Dandenong region are invited to attend. Breakfast included.
