

Greater Dandenong Integrated Care Community of Practice

16th May 2019 Event Summary

The second Integrated Care Community of Practice (CoP) for the Greater Dandenong region (within Monash Health catchment) was held on the 16th May February 2019 at Atura Hotel in Dandenong. The event ran from 6pm to 8pm.

The evening featured a panel discussion involving Ambulance Victoria and the Police And CATT Early Response (PACER) Casey Hospital, Monash Health. The audience were invited to ask questions which generated discussion. Monash Health Community subsequently presented the Monash Health Community Strategy. A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were invited to stay and network.

Some further comments made

“Another great event - thank you”

“Please keep it up”

“Try a breakfast time. At the end of the day it is hard to stay focused.”

“Ask each agency what are their priority issues are and then presenting these issues and then identifying through a collaborative discussion how possible joint partnership could then work on possible solutions”
