

Greater Dandenong Integrated Care Community of Practice

20th February 2019 Event Summary

The inaugural Integrated Care Community of Practice (CoP) for the Greater Dandenong region (within Monash Health catchment) was held on the 20th February 2019 at Punthill Apartment Hotel in Dandenong. The event ran from 6pm to 8pm and was introduced by Danielle Ryan, Chief Allied Health Officer, Monash Health.

The evening featured a video vignette of people experiencing persistent pain which was provided by Dr Tina Campbell, Director of Healthily, the patient education platform. There was subsequent round table discussion. A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were invited to stay and network.
