

Kingston Integrated Care Community of Practice

20th March 2019 Event Summary

The inaugural Integrated Care Community of Practice for the Kingston region (within both Monash and Alfred Health catchment) was held on the 20th March 2019 at The Bay Mordialloc. The event ran from 6pm to 8pm and was introduced by Ms Julia Oxley General Manager Monash Community, Monash Health. Dr Gary Yip from Alfred Health provided commentary during the second half of the event.

The evening featured a patient and carer filmed story with subsequent round table discussion. Dr Gary Yip presented remarks and posed two further questions for audience consideration. Wider audience commentary and reflection was invited.

A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were then invited to stay and network.

79% prefer to meet quarterly.

Some additional comments made

“Very informative and realisation of future management”

“Thank you for gluten free food I could actually eat!!!!”

“I really enjoy these events. It is wonderful to meet other clinicians in the neighbourhood and exchange ideas for improving our clients’ care.”
