

Kingston Region Integrated Care Community of Practice Event

This event aims to bring together general practice, community health services, hospitals, council services, allied health services, community pharmacies, social services, social groups and others with a view to improving awareness and connectivity between local services.

The next meeting will involve a panel on oral health and integrated dental services. There will be facilitated discussion and an opportunity to network and share ideas for the region.

Clinicians and leaders from health and social services in the Kingston area are invited to attend. Breakfast and Refreshments are included.
