

Commissioning support for chronic conditions for better outcomes in rural communities

Lucy Spanswick¹, Elyse Baker¹, Karina Crannitch², Bree Parision²

1. Western Victoria Primary Health Network

2. Springs Medical Daylesford, Victoria

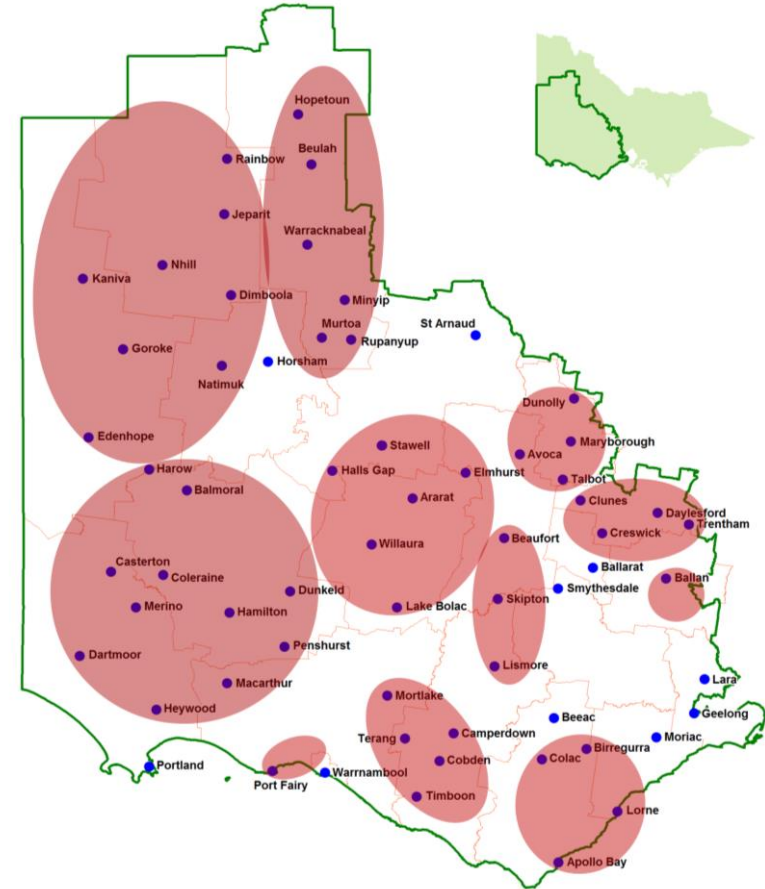

An Australian Government Initiative

Together with our partners and communities, Western Victoria PHN identifies priority health care needs, improves access through government funding, and co-designs localised solutions to improve health care systems across western Victoria.

Designing Chronic Conditions Model of Care

- Co-design consultations with:
 - Health providers
 - General Practices
 - Stakeholders
 - Community members

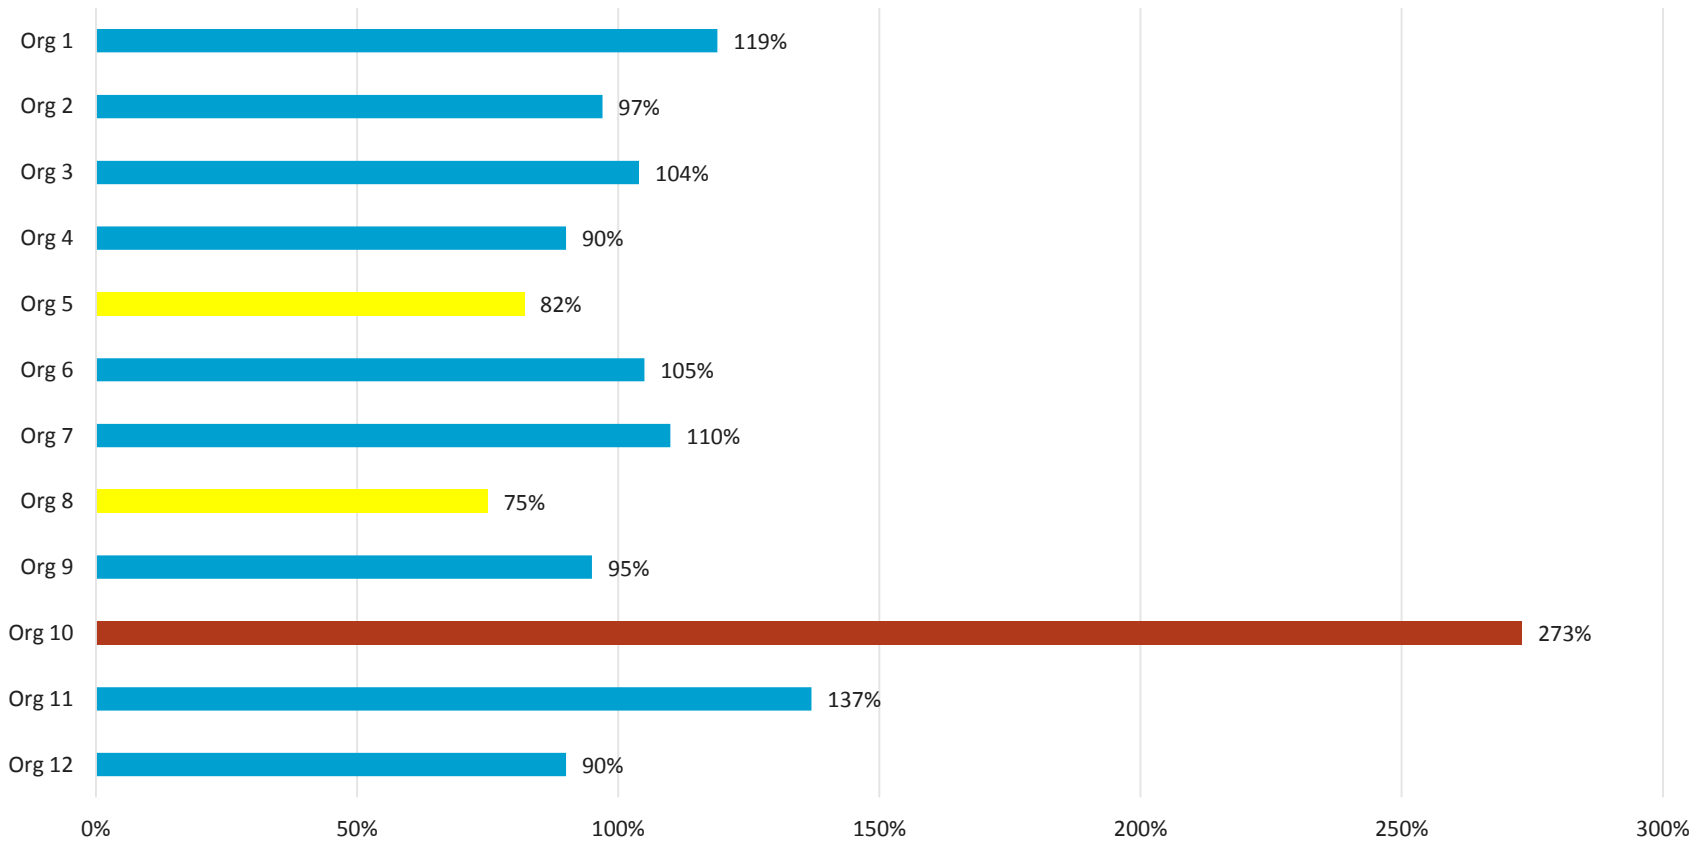

Chronic Conditions Model of Care

Supplier	Annual Funding	Chronic Conditions
