

## Stonnington Port Phillip Integrated Care Community of Practice

### 23<sup>rd</sup> May 2019 Event Summary

The second Integrated Care Community of Practice for the Stonnington Port Phillip region (within the Alfred Health catchment) was held on the 23rd May 2019 at St Kilda Sports Club. The event ran from 7am to 8.30am and was introduced by Dr Gary Yip General Physician Alfred Health.

The breakfast event featured a panel discussion on Alfred Police And CATT Early Response (A-PACER) with Victoria Police and Alfred Health. Dr Gary Yip then provided commentary around the theme of rapid collaborative acute and community service approaches which are provided in the community setting and whether this could be designed for acute medically unwell patients. Subsequently there was wider audience participation. A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were then invited to stay and network.

#### Feedback

- Twenty-eight attendees provided feedback equating to a response rate of 60%.
- 100% of respondents stated they would attend future events
- 100% believe there are benefits in holding regular multi-disciplinary and multiservice CoPs for the area.
- 100% reported they had become aware of a service they were not aware of
- 100% met a provider they did not previously know.
- 100% would recommend the Communities of Practice to colleagues.

#### Additional feedback

“Great to connect in with other practitioners and be more aware of the mental health issues & access to services”

“Suggest a presentation from Alfred combined MH and AOD services - what do they do? Who do they treat? What’s the referral criteria? St Kilda crisis service - what do they do?”
