

# Casey- Cardinia Integrated Care Community of Practice

## 15th October 2019 Event Summary

The fourth Integrated Care Community of Practice for the Casey - Cardinia region was held on the 15th Oct 2019 at Balla Balla Community Centre in Cranbourne. The event ran from 6pm to 8pm. Stav Zandes was Master of Ceremonies.

The evening event featured a panel discussion on oral health and public dental services. Panellists were Drs' Ramini Shankamur and Parul Marwaha from Monash Dental Health Service. They provided an overview on the correlation of oral health and chronic disease and the region's public dental service including priority access and referral process. Attendees were then invited to stay and network.

**Feedback snapshot:** 41% of attendees provided feedback

85% of respondents would attend future events with 15% not sure.

92% of respondents believe there are benefits in holding regular multidisciplinary and multiservice CoPs for the area, 8% were not sure

69% reported they have met or become aware of a new service as a result of attending

46% reported attending had impacted their day to day work with 46% reporting this had been their first CoP.

Benefits of attending the CoP included:

- Networking, find services in local area, education.
- Learning about eligibility criteria/how to refer. Understanding other services' issues.
- Knowing where to refer my clients.
- Provide awareness to services available. Would be nice to have outline of session topic prior to registration
- The information shared by speakers plus networking
- Interprofessional collaboration & contacts
