

Kingston Integrated Care Community of Practice

29th October 2019 Event Summary

The third Integrated Care Community of Practice for the Kingston region was held on the 29th of Oct 2019 at Woodlands Golf Club. The event ran from 7am to 8.30am and was introduced by Dr Daniel Fineberg, Dept of General Medicine, Alfred Health.

The breakfast event featured a panel discussion on oral health and public dental services. Panellists were Dr Mat Lim, Director of Dental Services, Alfred Health and Dr Priya Gopalakrishnan, Clinical Coordinator/Head Dentist at Central Bayside Community Health Service.

A poll (slido) was used at the end of proceedings for anonymous feedback and attendees were then invited to stay and network.

Some benefits listed

“Awareness of services available”

“Networking”

“Hearing the public dental eligibility criteria Meeting new people/services”

“It’s been good to get in touch with other services and what they provide. It’s also been fantastic to hear that other services are learning about oral health in terms of overall health”

“Getting to know health services available in my local area/network, establishing working relationships and better communication between hospitals and community health services”
