

Stonnington and Port Phillip Integrated Care Community of Practice Event

This event aims to bring together general practice, community health services, hospitals, council services, allied health services, pharmacies, social services, community groups, social groups and others with a view to improving awareness and connectivity.

This meeting will include a panel discussion on **Social Prescribing** with providers from the region. There will be facilitated discussion along with an opportunity to network and share ideas for person centred care.

Clinicians and leaders from health and social services in the Stonnington and Port Phillip region are invited to attend.
