

Casey and Cardinia Integrated Care Community of Practice Event

The Community of Practice (CoP) events bring together general practice, community health services, hospitals, council services, dental services, allied health services, aged care services, mental health services, pharmacies, social services, community groups, social groups and others with a view to improving awareness and connectivity.

This event will include a panel discussion on **Having Difficult Conversations**. There will be facilitated discussion along with an opportunity to network and share ideas for person centred care.

Clinicians and leaders from health and social services in the region are invited to attend. Canapés and refreshments included.
