

Stonnington-Port Phillip Region & Bayside-Glen Eira Region Integrated Care Community of Practice (CoP) Event

The CoP events bring together general practice, community health services, hospitals, council services, allied health services, aged care services, mental health services, dental services, pharmacies, social services, community groups, social groups and others with a view to improving awareness and connectivity.

This next meeting will include a panel discussion on **Having Difficult Conversations** with providers from the region. There will be a panel discussion followed by Q&A and an opportunity to network and share ideas with other delegates via Breakout Rooms.

Clinicians and leaders from health and social services in the **Stonnington-Port Phillip Region, Bayside-Glen Eira Region and the Kingston Region** are invited to attend.
